

EIGHT STANDARD UNIONS BALK ON STRIKE

SAY BROTHERHOODS WOULD NOT PROMISE TO STAND BY THEM

**Jewell Tells Men Not to Be Tricked—Says
Big Five Would Go Back to Work When
They Get Theirs—Unions Taking Ac-
tion Represent Three Fourths of Workers**

(By The Associated Press)
CHICAGO, Oct. 22.—Officials of unions with more than half of the rail employees of the nation in their membership tonight announced that their men will not be authorized to join the "big five" organizations in the strike called for October 30 in protest of wage cuts.

Announcements that they would not join in a walkout came from eight of the eleven "standard" rail unions which for a week had been withholding their final strike decisions. In most of them the members had voted overwhelmingly to quit work rather than accept a recent 12½ per cent wage reduction authorized by the United States railroad labor board. Only one of these eleven groups now is determined to stand by the "big five" it was announced, but two others have not yet taken final action.

Following announcement by heads of the six shop crafts organizations, controlling 600,000 men, that they would not sanction a walkout, the leaders of the 375,000 maintenance of way employees and of the 25,000 stationary firemen at an executive meeting voted to withdraw their authorization of a walkout, leaving only the 75,000 railroad telegraphers positively with the "big five."

**CHIEF OF THE 350,000
CLERKS WILL GO THRU
WITH STRIKE SAYS
WARREN S. STONE**

**Statement Issued Af-
ter an All Day
Meeting**

(By The Associated Press)
CLEVELAND, Oct. 22.—Following a practically all-day session of four of the "big five" railroad brotherhoods here, which adjourned late today, Warren S. Stone, president of the Brotherhood of Locomotive Engineers, said:

"There is no question in my mind that the men will go through, no matter what instructions they get."

W. G. Lee, president of the Brotherhood of Railroad Trainmen who also attended the conference, said:

"As per the orders of the railroad labor board the strike situation, as far as I am concerned, is status quo. I am obeying the board's instructions and issuing no further orders for the men to leave the service."

Asked if his statement meant that the meeting of the brotherhood officials and railroad executives with the railroad labor board in Chicago next Wednesday would prove futile, Mr. Stone said:

"I didn't say that. I don't know what the labor board or any one else will have to offer at those hearings."

Union officials announced today that between now and the hearings in Chicago on Wednesday they intend to prepare statements on various phases of the threatened strike with the object of contracting the publicity of railroad experts and open shop advocates and "in order that the public may be fully acquainted with the labor's side of the questions involved."

In two statements issued today President Lee of the trainmen, denied that the railroad are seeking "protection of the public pocketbook" by reducing wages and also replied to the "campaign for repeal of the Adamson law."

The purpose of the railroads is to force a strike, Mr. Lee said.

**COAL OFFICIALS
ARE ARRESTED**

ST. LOUIS, Mo., Oct. 22.—Three officials of the St. Clair Coal & Mining company have been arrested here in connection with the confession made Friday by a clerk involving the heads of the coal company in a systematic defrauding of the city thru short weights in coal. The company's officials under arrest are:

Frederick W. Klein, president; John F. Klein, his son, treasurer; and John F. Brieher, secretary.

SWEEPING RATE REDUCTION HAS BEEN ORDERED

**Interstate Commerce
Commission Issues
Order**

(By The Associated Press)
WASHINGTON, Oct. 22.—Federal action affecting the railroad strike situation was taken today by two departments of the government when the interstate commerce commission ordered freight rate reductions on grains, grain products and hay in the territory between the Mississippi river and the Pacific coast and the department of justice issued instructions for the protection of the property of the International and Great Northern Railroad in Texas where a trainmen's strike became effective at noon.

The commission's decision, which was in a case brought by twenty-two western states and a number of national and local farm organizations did not deal directly with the impending strike which was considered significant in its presentation of prospective future reductions of railroad operating expenses as a basis for its rate making activity.

So far as a reduction downwards in rates can be induced the commission said and so far as the reduction in wages and prices which have already been made effective can be converted into rate reductions, we are assured that the full return of prosperity will be hastened for both industry and labor.

No Legal Steps Taken
At the same time, it was indicated that no legal steps were for the moment under consideration touching upon the call of the five brotherhoods of men in train service for a national strike. All direct dealings with the railroad unions, so far as the government is concerned, still remain in the hands of the railroad labor board at Chicago.

The rate reduction is the most sweeping issued by the commission in several years, and on the commodities named, which constitute a heavy percentage of railroad traffic thruout the western territory amounts to one half of the increase allowed in 1920. These were 35 per cent in the western group territory, 25 per cent in the mountain Pacific group and 33 1-3 per cent between divisions. The commission also ordered rates on coarse grains, including corn, oats and others, fixed at ten per cent below the level on wheat in the new schedule, while rates on grain products are to be altered to fit the new basis.

Railroads were ordered to have the new schedules ready by November 20 at the latest.

MINING CONGRESS PASSES RESOLUTION

(By The Associated Press)
CHICAGO, Oct. 22.—In response to a request from Herbert Hoover, secretary of commerce, the American Mining Congress in a final session here today passed a resolution providing for the appointment of a committee to co-operate with the department of commerce in the production and distribution of minerals.

Other resolutions adopted by the congress follow:

Call for a conference between representatives of Great Britain, France and the United States for the purpose of developing a plan by which rates of exchange may be stabilized.

Memorializing congress to create a department of mines with an officer in the cabinet.

Urging speedy enactment of Fordney tariff bill in so far as it relates to the mining industry.

Pledging support of the congress in the speedy reduction of last increases in freight rates.

**RETURN FROM
CHICAGO VISIT**

Mr. and Mrs. C. B. Massey and son have returned from Chicago where they have been attending the National Tent and Awning association convention which convened in the Sherman hotel recently. They report a fine convention with about 400 delegates present. Entertainment was furnished for the wives and families of the dealers and they enjoyed among other things a sightseeing trip and luncheon in Marshall Field's.

Each year the convention meets at widely separated points. Last year Los Angeles, Calif., was the scene of the gathering and for next year Philadelphia, Pa., has been chosen. Mr. and Mrs. Massey hope to attend this convention also.

Emperor Charles Is Trying to Get Throne

(By The Associated Press)
BUDAPEST, Oct. 22.—Charles I, former emperor of Austria, engaged in his second coup d'état with the object of reseating himself on the throne of Hungary. He has reached Raab where Royalists are gathering about the deposed king, ready to march with him and his army of 12,000 Oostenburg troops into the old capital of Budapest, sixty miles away.

After a sensational flight from Switzerland by airplane Thursday accompanied by the former Empress Zita, he landed at or near Oedenburg, which is under inter-allied control and gained the renewed allegiance of the Hungarian troops.

From Oedenburg Charles and his army went to Raab, occupying the town and sending out calls for Count Bethlen, the Hungarian premier, Stephen Rakovsky, president of the national assembly; M. Beniczky, former minister of the interior and other royalist sympathizers.

Rakovsky, Count Apponyi and Gustave Gratz have headed the Legitimist cabinet at Raab and the Royalists have taken possession of the public buildings at Steinamanger.

The Budapest government meanwhile has received protests from the allied representatives and Czechoslovakia and has sent loyal government troops to serve notice on Charles that he must leave the country at once. There is a strong belief, however, not only in Hungary, but in Austria as well, that Charles' second return

has a better chance of success than his first.

It is said that the former king has been brought back thru the efforts of Prince Windisch-Gratz and Royalists who took hope from the success of the Portuguese revolution. It is understood that Count Andrássy, who is supporting Charles, has received assurances from Jugo-Slavia and Rumania that they would not offer resistance, as "Royalists must stick together against republican danger," and, with such assurances, the Carlists assert that they do not fear the opposition of Czechoslovakia.

Adherents of the former emperor are also organized in Austria, Slovakia and Croatia and are encouraging Charles to rally the West Hungarian troops and march on Budapest. Premier Bethlen is reported to have declared that he recognizes Charles as king of Hungary, but that Charles must undertake, if he resumes the throne, not to accept the throne of another country.

Admiral Horthy, regent of Hungary has been promised by the Royalists that he will be made a prince and will receive a big estate, according to rumors current, if he does not oppose the immediate accession of Charles. There are reports also that Horthy and others are either in flight or are preparing to leave if Charles approaches the capital, as expected, and these indications, as well as the general sentiment have imbued the Royalists with confidence in the success of the new royal government.

SIX HUNDRED MEN WALK OUT AT NOON AT SAN ANTONIO

**Officials Say Are Being Re-
placed by Experienced
Men**

(By The Associated Press)
SAN ANTONIO, Texas, Oct. 22.—Approximately 600 members of the Brotherhood of Railroad Trainmen on the International & Great Northern railroad of Texas who struck at noon today are being replaced by experienced men, according to an announcement tonight at the office of Superintendent J. R. Jones.

J. M. Landis, chief clerk to the superintendent said the road is able to get all the experienced men it wants and at the same time it was announced advertisements had been ordered inserted in Sunday's newspapers here, calling for experienced switchmen and brakemen.

At 7 o'clock tonight passenger train No. 7 pulled out of the terminals carrying two armed guards. The train was in charge of Conductor E. M. Lewis and was without a brakeman. It was announced early in the day at the office of Superintendent Jones that the porters would do the work of brakemen on all trains.

The strikes of the Brotherhood of Railroad Trainmen started when the whistles blew at noon and the sixteen switchmen and yardmen employed in the local yards left the yards. There are about 68 switchmen and yardmen then on duty left the yards. There are about 68 switchmen and yardmen employed in the local yards the men working in shifts and about 147 brakemen.

F. H. Frame, general chairman of the I. & G. N. trainmen, said the strike would be 10 per cent by tomorrow morning by which time the last brakeman starting on a run before the strike went into effect today will have reached his terminal.

Guards armed with shotguns were stationed about the International and Great Northern depot and about the yards today in charge of a special agent of the company, and it was said they were there not as a protection against the striking trainmen but against any lawless element that might take advantage of the situation.

FORMER RESIDENT DIES IN PEORIA

Alex Donovan of Richards street has received a newspaper clipping telling of the sudden death of Alonzo Franklin Cox, a former resident of this city.

Mr. Cox while here was proprietor of a dry goods store at 71 East Side of the square, about twenty years ago.

Recently he has been a resident of Manito and was engaged as a traveling salesman for the Turner & Hudnut Grain company of Manito. Mr. Cox expired suddenly on the streets in Peoria. He was 63 years of age.

AGUTE CRISIS HAS BEEN REACHED IN IRISH CONFERENCE

**Express Resentment
on DeValera Mes-
sage to Pope**

(By The Associated Press)
LONDON, Oct. 22.—With Prime Minister Lloyd George week-ending at his country home at Chequers Court and Michael Collins, head of the Irish delegation in London, gone to Dublin, no important developments in the Irish negotiations are expected until the conference is resumed on Monday afternoon.

That an acute crisis has been reached was admitted by both sides today, but the general opinion tonight was that the resentment expressed by the British representatives toward Eamon DeValera's message to the Pope would be smoothed over and that the negotiations would proceed.

It was understood that when the conference resumes on Monday Mr. Lloyd George will immediately bring up again the subject of Mr. DeValera's message and open up the question of the position of Sinn Fein regarding allegiance to the crown.

Such a movement, if taken today, it was pointed out on the British side, put the Sinn Fein delegates in the extremely difficult position of either repudiating Mr. DeValera—which of course is not expected—or of giving a formula for defining definitely Sinn Fein's attitude toward the British crown which it is recognized will be equally difficult. Nevertheless hope was expressed today of finding a way out of the dilemma and this hope appears even stronger tonight.

SHOWS FIDELITY IN ILLICIT LOVE

(By The Associated Press)
DAVENPORT, Iowa, Oct. 22.—A case of extreme fidelity on the part of a woman to a man whom she loved, was revealed today in the confession of Antonio Silva to the murder of Pedro Mejia, on the night of October 11.

Soon after the murder, Mrs. Mejia, the wife of the murdered man, was arrested and confessed that she had killed her husband. But the details of her confession did not corroborate those of the killing and altho the police doubted the truth of her confession a charge of murder was lodged against her and she is now awaiting trial. Several days ago Silva was arrested as a suspect and today made a complete confession. He claims he killed Mejia in order that he might marry Mrs. Mejia, with whom he was desperately in love. Mrs. Mejia, when confronted with Silva's confession admitted she confessed to a crime of which she was not guilty in order to protect Silva and divert suspicion from him.

SEVERAL IMPORTANT DECISIONS GIVEN BY THE SUPREME COURT

Upholds Small's Dismissal of Gordon A. Ramsay—Illinois Central Must Pay Franchise Tax—Conductor Awarded \$10,000 for Injuries—Hand Down Other Opinions

(By The Associated Press)
SPRINGFIELD, Ill., Oct. 22.—Governor Small's dismissal last February of Gordon A. Ramsay as public administrator of Cook county, and the governor's appointment of Gregory T. VanMeter to take the place, were upheld by the supreme court in an opinion handed down tonight in which the court affirmed the decision of the Cook county probate court.

Ramsay was appointed by former Governor Lowden in December, 1917 for the customary four year term. He was ousted by Governor Small last February on charges of incompetency. The senate without a vote to spare, confirmed the appointment of VanMeter. The confirmation of the VanMeter appointment was the first test of strength of administration in the upper house of the legislature last winter.

Ramsay's appeal was made on the grounds that he could not be ousted until his four year term had expired. The opinion, written by Justice Duncan, virtually upholds the right of the governor to oust political appointees at his pleasure, it was said here tonight.

The job of public administrator of Cook county is said to be the fattest political plum at the disposal of the governor.

Must Pay Franchise Tax
SPRINGFIELD, Ill., Oct. 22.—In an opinion handed down by the Illinois supreme court upon adjournment tonight the Illinois Central railroad is required to pay a franchise tax to the state upon all its properties except the original lines. The supreme court reversed in part the decision of the Sangamon county circuit court, which held that the Illinois Central by virtue of its charter was exempt from all taxation because it is required to pay seven per cent of its gross earnings to the state.

Illinois Central taxes, the higher court held, must be measured by the value of the non-charter lines. The case was remanded to the circuit court for apportionment of the company's properties and to fix valuations on which to base the taxes.

Gain Sweeping Victories
SPRINGFIELD, Ill., Oct. 22.—Sweeping victories in the railroad franchise tax cases in the supreme court were won tonight by Clarence J. Boord, chief assistant to Attorney General Brundage, when the court held that all railroad franchise taxes must be based on the capital stock of the railroads authorized by their charters, and not on amounts authorized by the former state public utilities commission and its successor, the Illinois Commerce Commission.

The supreme court held that possession and operation of the railroads by the federal railroad administration between 1917 and 1920 did not release the lines from their franchise tax obligations.

The franchise tax principle was laid down in four cases appealed by Attorney General Brundage from the Sangamon county circuit court. The four railroads which lost their cases in the supreme court tonight are:

The Chicago & Eastern Illinois, the Toledo, Peoria & Western, the Lake Erie & Western and the Northwestern lines.

Affirms Judgment
SPRINGFIELD, Ill., Oct. 22.—Judgment for \$10,000 for injuries which resulted in his blindness was affirmed for James Isaac Moore, former conductor on the Wabash railroad by the state supreme court tonight. Moore was blinded when a box of explosives exploded in his caboose at Decatur during the war.

Murderers Must Pay Penalty
SPRINGFIELD, Ill., Oct. 22.—The Illinois supreme court tonight affirmed the conviction of James and Dominick Delorenzo, brothers, for the murder of Angelo Frenchville, at Moline in August 1920. The brothers were sentenced to life imprisonment.

Error in Indictment
SPRINGFIELD, Ill., Oct. 22.—Through an error in the indictment charging her with murder by means of an illegal operation upon Lena Barnes, in 1919, Anna M. Heisler was tonight freed of the charge by the state supreme court which reversed the conviction of Mrs. Heisler in the criminal court of Cook county.

"The variance between the charge and the proof is fatal," the opinion handed down by Justice Thompson said.

In its opinion the supreme court declared that the decision

SETTLE BIG TAX REVISION ISSUE IN U. S. SENATE

**Compromise of In-
come Surtax Rates
is Adopted**

(By The Associated Press)
WASHINGTON, Oct. 22.—One of the big tax revision issues in the senate was settled today with the adoption 54 to 13 of the Republican compromise income surtax rates with the maximum at fifty per cent. The senate previously had voted down an amendment by Senator Hitchcock, Democrat, Nebraska proposing retention of existing rates on incomes in excess of \$100,000 and another by Senator Calder, Republican, New York to make the maximum rate 32 per cent on that part of incomes in excess of \$65,000.

The vote on the Hitchcock proposals was 43 to 23 with five Republicans supporting it and four Democrats voting against it. The Republicans were Borah, Johnson, Kenyon, LaFollette and Norbeck and the Democrats were Underwood, Ransdell, Broussard and Myers.

Senator LaFollette, Republican, Wisconsin gave notice last he would ask for another vote on the Hitchcock amendment before the bill finally is passed but it was the opinion of leaders on both sides that the surtax issue had been definitely settled so far as the senate was concerned.

Compromise plan however, will have to run the gauntlet of house opposition in conference and there were predictions that the maximum rate finally agreed upon in the conference would be around forty per cent.

After voting in the surtax rates the senate took up an amendment by Senator Gerry, Democrat, Rhode Island, proposing normal rates of two per cent on the first \$5,000 of income; four per cent on the second \$5,000; six per cent on the third \$5,000 and the existing rate of eight per cent on all over \$15,000.

After some discussion the amendment went over at the request of Senator Lodge, Republican, Massachusetts who said he desired to obtain official figures as to how much less of revenue would result from such a plan.

Senator Gerry proposed a 100 loss of revenue which, he estimated at \$135,000,000, could be made up thru increased corporation taxes, a levy on gasoline and retention of some of the so-called luxury taxes proposed for repeal.

COAL DRAG BLOCKS EAST STREET

East Street street traffic was held up for more than an hour yesterday morning, when a coal drag blocked the street at intersection. One of the cars had a broken drag bar, and the train was delayed until the car was switched and side-tracked.

You can hardly blame the lawyer who seeks to bring into the Stillman divorce proceedings all the family and the question of the distribution of the Stillman \$37,000,000 trust fund.

Members of the American Legion who are soon to attend the national convention in Kansas City are evidently not much disturbed about strike prospects. One reason is that many of these ex-service men are so experienced in long marches that even the

thought of walking home does not dismay them.

JUST A QUESTION OF TIME
One point the railroad managers and the workers seem to have forgotten in their differences over wages is the fact that at some time or other a settlement must be made. If they will just stop and consider that fact now, perhaps the wisdom of an agreement before the strike instead of after it may appeal to both sides of the controversy.

FARM PRODUCTS NOT ALONE IN THE SLUMP

While the farmer is feeling sad about the low price obtainable for corn and other products of the farm, he should consider the case of the copper producer. Although the copper producer carried on enormous activities during the war and in the period afterward, business has now taken such a slump that there is absolutely no demand now for copper.

Whatever one is produced must be simply placed in storage awaiting the time when a business revival occasions a demand. This same thing is true of other commodities and many a factory that is running today even with half a

force is merely keeping its organization together and storing its product, for which there is no market.

THE CITY BEAUTIFUL
An event like the automobile show and merchants' exposition may not bring immediate results in the sales of commodities. There is, however, the benefit which comes from co-operative action and still the other benefit which will appear in future days. There is advantage in nothing else in bringing people into Jacksonville at this season of the year and letting them catch a glimpse of the city beautiful in all its autumn glory.

People used to think that Jacksonville was the most beautiful in the spring days. Just after the trees began to show their foliage. Nobody can deny that springtime glory, but if you do not believe that in October days the city's dress is not equally as handsome take a drive thru the streets of Jacksonville, east, west, north or South, and you will readily be convinced.

THE CRIMINAL INSANE
Five or six escaped from the state institution for criminal insane at Menard Thursday night. That it is possible to escape from such a heavily guarded institution impresses again the need there is for special care in the proceedings whereby men and women are committed to this place.

There have been too frequent cases wherein the "insanity" developed after the commission of a crime—for the purpose of escaping responsibility under the law and with the thought of a later escape from the prison walls.

NO MORGAN COUNTY MAN NEED APPLY

Gov. Small has called a special election in this district for the selection of a member of the constitutional convention to fill the vacancy caused by the death of Mr. Conkling. This action was taken because there are four or five other districts in the state where vacancies also exist because of the death of members.

Morgan county is included with Sangamon in this district, so the people here need show little concern or interest in the nominations. They will be expected to vote for the residents of Springfield that the party leaders there select.

It is almost too much to hope that a day of reapportionment may come and the time when Morgan county is a part of a district in which it has something to say about the selection of candidates.

PASSAVANT HOSPITAL NOTES

Mrs. Joseph C. Groat and Miss Mary Woodall of Winchester brought to Passavant hospital Saturday a generous donation of fruit, vegetables, jellies, etc., from the Woman's club of Winchester. While in the city last Sunday Mrs. Groat learned of the annual Thanksgiving donation of the churches of the county to Passavant hospital and interested women of Winchester in the good work. It is understood that still other contributions are to follow and it goes without saying that the hospital management is very appreciative of the spirit shown.

H. A. Baird, car repairer of the C. B. & Q., who lost an eye thru an injury from a piece of steel which pierced the eye ball, was able to return to his home in Boardtown yesterday. He was accompanied by Mrs. Baird.

Among the many visitors at the hospital Saturday were the following: E. O. Hinchey, Chandler; Mrs. Nettie Lewis, Mrs. Vortman and daughter, Mabel; Winchester; James Cull, Chapin; Mrs. A. L. Mitchell, Miss Susie O'Donnell, Winchester; Lewis Meyer and daughters, Bluffs; H. E. Ogile, Hatterbury; William Rebe, J. Exeter; Mr. and Mrs. E. D. Lincoln, Berdan.
Rev. J. M. Beadles of White Hall and Los Angeles, who has been in the city while Mrs. Beadles was a patient at the hospital, returned Saturday to White Hall and will at once resume his evangelistic work.

ENJOYED WEINER ROAST AT LITERBERRY

A number of the members of the Guild of Literberry Baptist church went to the home of Mr. and Mrs. W. W. Daniels south of Hatterbury Saturday evening. Previous to the feast a brief business session was held. Then a bonfire was kindled and the weiners roasted. There were other good things to eat in great abundance and altogether it was a very pleasant occasion.

Mr. and Mrs. C. H. Hall expect to leave this morning for Centralia where they will spend two weeks with relatives.

FOR COMMISSIONER
As the Democratic candidate for county commissioner, I will appreciate your vote at the polls. If elected I will seek to do my duty at all times.

AUTOMOTIVE MEN GAVE LUNCHEON

Merchant Exhibitors and Others Talked About Successful Show and Exposition — 1922 Event Already in Mind.

The Automotive association exhibitors, together with a number of others, gave Saturday noon at the Pacific hotel. In the brief addresses made those responsible for this year's successful show were complimented and there were suggestions too for the third annual show, to be given in 1922. J. F. Claus, president of the association presided and voiced the pleasure that the organization had in the presence of so many visitors.

The chairman called upon the following persons for brief talks: Charles M. Strawn, T. M. Tomlinson, Harold Welch, John Wilkinsons, H. M. Capps, Vincent Riley, Felix E. Farrell, Miss Huldah Faugust and Jack Fogarty.
Mr. Strawn spoke of the obligation that members of the club felt to Mr. Cherry and Mr. Withee for the use of the Cherry building and said that the owner and manager had done everything in their power to make the show a success. He also referred to the conscientious work done by Mr. Wilkinsons in promoting the show.

Fine Co-operation.
Mr. Wilkinsons expressed his appreciation and said that while he had encountered various difficulties that it had been a pleasure to him to work with a group of men who co-operated so earnestly.

Mr. Farrell took occasion to emphasize the need for a coliseum to which the auto show gave point. He said that with a spacious coliseum at the city's disposal that the size of the auto show could be vastly increased and that the lack of such a building kept Jacksonville from entertaining numerous conventions and assemblages where space is necessary.

Miss Faugust, a member of the firm of Faugust, tanners, mentioned several amusing incidents in connection with the show. The Faugusts have such a unique imitation of an automobile made from the parts of furnaces that a number of visitors have been persuaded that the Faugust firm is in the automobile business.

Chairman Claus quoted Manager Reeve of the St. Louis automobile show who recently told Mr. Claus that the Jacksonville show had given this city a lot of favorable advertising.

As Saturday is a busy day for all those who attended the luncheon, the speeches were appropriately made very brief. However, there was no lack of enthusiasm and the mention of a larger and better show for next year met with enthusiastic approval.

All the speakers referred to the success of the show and what it means as a co-operative enterprise.
Excellent music was furnished during the luncheon hour by the Powers-Drake orchestra which has been on duty at the show each afternoon and evening.

CHARIVARI IS GIVEN FOR NEWLYWEDS

A group of young people gathered at the farm of Mr. and Mrs. Harry Perry north of the city Thursday evening, to charivari Mr. and Mrs. Fred Perry who were recently married. The merry crowd made lots of noise and then were invited into the Perry home where several hours were spent with games and music. The informal program included instrumental and vocal solos by Harold Wright, Harry Reintz and Fred Houston.

At a late hour refreshments were served and then all departed wishing Mr. and Mrs. Perry many happy years of wedded life. Those present were Misses Anna Hudson, Angie Short, Bertha Dewey, Helen Dodsworth, Nellie Winstead, Minnie Hudson, Bernice Barnes, Stella Gruber, Gretta Knapp, Stella Short and Laura Carson; Messrs. Fred Lucas, Virrell Eldridge, Ralph Hudson, Fred Segar, Roy Weatherford, Donald Harris, Jack Winstead, John Jeffries, William Hudson, Orval Moss, Harold Wright, Thomas Murgatroyd, Fred Houston, Harry Reintz and Arthur Murgatroyd.

The Woman's Aid Society of Clark's Chapel will give a box social Wednesday evening, Oct. 26th at 7 p. m. at the home of Mrs. Roy Newberry. Proceeds will be given to the Huddleston Orphan Home at Irving, Illinois.

The Romance of an Irish Girl With an American Gentleman

Constance Binney
in **"ROOM AND BOARD"**

A story of Irish life. Miss Binney plays the role of Lady Norreen of Kildoran, an impoverished noblewoman, whose father is killed in the hunting field, leaving the girl nothing but a heavily mortgaged estate and the family pride.

The story is one that lends itself extraordinarily to scenic beauty, and some of the most picturesque spots on Long Island and in the Connecticut hills were utilized in the exteriors.

A typical Irish village of quaint houses and straggling streets was built for the picture, as well as the ancient castle in which Lady Norreen, harassed by debts, undertook her boarding house adventures. Photographs of actual Irish villages and castles make accurate reproductions of both the village homes and the castle.

A fox hunt, and many village scenes, showing more than two hundred extras attired as Irish peasants, besides many chickens and geese, a herd of cows, and many horses and donkeys, add interest to this colorful production.

A fine cast, headed by Tom Carrigan as leading man, will be seen in support of Miss Binney.

A Love Story of An Actress, from the Saturday Evening Post Story by Rita Weiman
The New York Tribune says: "Katherine MacDonald, in 'Curtain,' is a star that one does not tire of looking at.

Oh, Boy! But here's a Nifty Little Story of Real Stage Life—Makes you imagine You Smell the Grease Paint and Powder

'Curtain!' is a delightfully refreshing picture of stage life. It is one of the best starring vehicles that charming Katherine MacDonald, famous American Beauty, has ever had. There has never been a picture made that discloses such close intimate knowledge of the stage—for it is technically correct in every detail and the story is real from a showman's point of view.

BENJAMIN H. KAUFMAN

Reading, Pa.

"There's no doubt in my mind that Tanlac saved my wife's life," was the positive statement of Benjamin H. Kaufman, 505 Bingham St., Reading, Pa., a popular clothing salesman for the well-known firm of Croll & Keck.

"I was almost desperate from worrying over her condition, as she had suffered so long without getting relief and I can hardly believe my own eyes now when I see the change in her. Why, she doesn't show her age by twenty years and declares she never remembers feeling better in her life. Her health was failing steadily for a year as a result of catarrh of the stomach, and I have never seen anybody suffer as much from indigestion and nervousness as she did."

"After a five weeks' course of Tanlac she was like another person, and I'm firmly convinced that years have been added to her life. It makes me shudder now when I think what the result might have been if she hadn't taken Tanlac in time."

Tanlac is sold in Jacksonville by J. F. Shreve, Druggist, and by leading druggists everywhere.—Adv.

HAVE YOU A \$5.00 BILL in Your Pocket?

If you have, take it out from among the rest right now. Fold it up. Put it in another pocket.

It is the first deposit in that Savings Account you should have started long ago.

Tomorrow step into this bank and put the \$5.00 in a Savings Account. Then get the habit of picking out a bill weekly and depositing it regularly. You'll never miss it.

Maybe you had a place all picked out to spend that bill, but there is nothing that you can do with it that will do you more good or give you so much satisfaction.

Maybe the bill is only a one. The amount does not make so much difference. Just fold it up and start that Savings Account tomorrow.

What is quality?

In clothing, as in the man who wears it, quality is the one thing that endures.

Quality is the element which made the voice of Caruso more wonderful than all the rest; which makes one violin better than another; a man more of a man for rubbing elbows with the world; and a garment made in this shop so much better.

Wear a Jacksonville Tailoring Company made garment until it is frayed, if you will, but you cannot destroy the hang of it, nor the grace of its lines.

Eventually even the finest of fabrics will be destroyed, but you cannot wear out quality workmanship—that's what we build into all garments.

**Jacksonville

labor board is now revising. Al-
ready they have issued twenty-
four substitute rules and laid
down part of the issue which we
will have to meet. We have not
yet committed ourselves on that
subject. When all the revised
rules have been promulgated by
the board then we will again as-
semble the general chairmen and
seek a remedy to rights which
have been taken from us.

"When the present crisis ap-
peared, the shopmen were in a
position where the big four
thought they could drag us along
with them. We put the question
up to them: 'If we go along with
you does it mean that there won't
be any settlement until the settle-
ment is satisfactory to all?'"

Only Want to Get Theirs'
"The brotherhoods answered
that we couldn't expect them to
do that and when they got a sat-
isfactory settlement they would
return to work. When men sit
down at the table with you and
look you in the eye and tell you
that when they get their's they'll
leave you and let you go your
way then I tell you, you had bet-
ter go your way first.

"The brotherhoods counted on
our trade union spirit to go
along with them. But when their
co-operation in that spirit fails to
go beyond their own group
then we must take care of our-
selves.

"We felt the injustice of a wage
decrease without a corresponding
reduction in rates, that is profit-
ing at the expense of our liv-
ing standards, but the pending
question of rules is of even
greater importance."

The labor board today held an
executive session to discuss the
action of the International and
Great Northern trainmen in
walking out but the meeting was
taken up largely with informal
discussions it was said. The
board announced, however, that
it had relinquished the jurisdic-
tion it assumed yesterday over
the Tremont & Gulf Railroad, a
67-mile Louisiana line.

The board said it had been in-
formed that the employees had
agreed to an open shop and that
consequently, since there was no
dispute, the board had no inter-
est in the matter.

**FIRE DESTROYS
STORAGE SHEDS**

Brook Mills Visited by Disastrous
Fire—Loss Estimated at Sev-
eral Thousand Dollars—But
Little Insurance Carried.

The citizens of Jacksonville
thought for awhile last night that
the whole south part of town was
ablaze from the light of the fire
at Brook Mills which started
about 7 o'clock. The fire was not
in the Brook Mills proper, but was
confined to two big sheds used for
storage purposes back of the mills
and also a sixty foot water tank
used by the Railway and Light
company.

The damage to the property is
estimated at \$5,000 and is covered
by \$1000 insurance. Besides the
property damage there is a con-
siderable loss of grain which was
stored in the buildings and also
an automobile, the value of which
has not been ascertained.

The buildings and tank were
highly inflammable and caused a
huge blaze to leap skyward that
must have been seen for miles
around.

Within a few minutes of the
fire alarm there was a large
crowd thronging both South Main
and South West streets. Due to
the good work of the fire depart-
ment the blaze was soon under
control. There was some fear at
first of an explosion of the big gas
tank of the light company which is
located just across the street.

A short time after this fire, the
department was called to a resi-
dence on Park street but the
alarm proved to be a false one.

The fire department was called
to the residence of William Pitts
716 South Diamond street at 6
o'clock Saturday morning. Fire
had started from a defective
chimney. The damage was slight.
The property is owned by J. W.
Muse.

FOUND PEARL IN OYSTER
Audi Beerpup, who lives at

Jewel Robber Must Go to Prison
SPRINGFIELD, Ill., Oct. 22.—
Conviction of Martin Six for par-
ticipation in Heller-Rose \$150,-
000 jewel robbery in the Marshall
Field Annex, Chicago in 1918 was
affirmed tonight by the Illinois
supreme court.

Attorney Exonerated.
SPRINGFIELD, Ill., Oct. 22.—
Theodore L. Meyer, charged with
unprofessional conduct by the
Chicago Bar association was ex-
onerated by the state supreme
court tonight. The complaint
against Meyer was made because
of his conduct in handling of a
loan for Louis Kaplan and Louis
Tusin.

"The respondent," said the
court, "was lacking in judgment
and foresight, but his conduct,
as shown by the evidence does
not indicate dishonesty of pur-
pose or unfaithfulness to the in-
terests of either of his clients."

Uphold Verdicts on Bankers
SPRINGFIELD, Ill., Oct. 22.—
Verdicts upon which William H.
Paisley, Oliver T. Paisley and
James T. Paisley, Chicago bank-
ers, were convicted of receiving
deposits after their bank had been
declared insolvent were upheld,
tonight, by the state supreme
court.

William H. Paisley was sen-
tenced to pay a fine of \$180 and
costs. The others were sen-
tenced to the penitentiary.

**SUPREME COURT RULES
IN SCOTT COUNTY CASE**

The supreme court yesterday
handed down a decision in the
suit of the Manvaisterre Drainage
& Levee district against the Wa-
bash railroad, taken to the court
on appeal from Scott county.

The case was reversed by the
court and remanded for a new
trial. Prior to this proceeding the
drainage district sought by con-
demnation proceedings to cross
the right of way of the Wabash
railroad near Bluffs. The rail-
road claimed large damage on the
ground that the construction of the
ditch and embankment would
cause water to flow over a certain
portion of railroad property. The
jury fixed the damages at \$4500,
which was very much less than
the railroad claimed.

Bellatti, Bellatti & Moriarty
represented the railroad in the
case appealed to the supreme
court.

UNITED BUDGET

NOVEMBER 13-20

The United Budget campaign will be launched in this city during the week of November 13 to 20 promises to mark an important step in the municipal affairs of Jacksonville. The plan undoubtedly is a step forward in tendency to eliminate unnecessary expenses and of co-operating the efforts of workers and the public in general in one campaign. Success of the campaign rests that the organizations listed in the United Budget will be able to continue to function for the good of the community as they have in the past.

of the present administration. The success of the United Budget which has been endorsed by the civic administration, the Chamber of Commerce, the Rotary and Kiwanis clubs and progressive citizens generally, means the success of the Jacksonville and the civic organizations listed.

As has been previously announced there are five organizations listed in the United Budget: the Red Cross, the Salvation Army, the Open Air School, the Anti Tuberculosis association and the Social Service League.

It is the purpose of the United Budget committee to present in

a series of articles something of the nature and purpose of each of the organizations represented in the campaign and later to show the amounts necessary for each to continue to function efficiently. A few facts relative to the Social Service League are appended herewith:

The Social Service League.

1. Organized in March, 1917, taking over the activities of the old Associated Charities and adding needed features to centralize social work and save overlapping.

2. Much work with families becomes social in character in spite of the fact that such work is designated by law to certain legal positions. In order to save this over legal emphasis many of these legal positions are now included under the services of the Social Service League.

3. The types of work carried on are (1) Family welfare; (2) individual and family rehabilitation; (3) immediate relief; (4) Work of City Matron; (5) Attendance Officer for Schools; (6) Mother's Pension Service; (7) Overseer of Poor for Jacksonville; (8) Juvenile Court Probation Officer; (9) General Social Education.

4. A superintendent and assistants specially trained are in charge of active field work. Immediate relief is given where it is necessary and then careful follow up work is done, making a social diagnosis of needs. Constructive measures are then employed which make for proper scientific social treatment of the case.

5. The League is supported by certain fees which are paid into its treasury for services performed for the co-operating legal offices and by subscriptions made by individual citizens.

6. The spirit of co-operation is extremely large in all of this service. It is aimed to furnish a city wide service which will make constructive follow-up measures effective through an extensive system of co-operation between the social working groups in churches, lodges, institutions, families, and individuals.

7. The Social Service League is a public service league. It furnishes expert investigation and recommendation on all kinds of social problems turned in to it.

8. It is managed by a Board of Directors of 24 members, two-thirds of which constantly remain in office. The board members represent all churches, many lodges, social organizations, as well as being business, professional, and highly public spirited individuals.

9. The Social Service League is the only distinctive civic public service organization which functions in this immediate community. In most of its activities it is purely local in character. It co-

operates with but does not overlap the work of other institutions serving throughout the other parts of the county.

10. The League seeks no undue public notoriety. It aims to bring a service which will be helpful and which always keeps the welfare of Jacksonville foremost.

11. The service of the League relieves individuals of the community of the laborious, uneconomical and often times duplication in seeing that needy cases are properly looked after.

DOMESTIC SCIENCE

ROUND TABLE MEETS

First Meeting of Club Year Held Saturday Afternoon at the Home of Mrs. Andrew Russell—Fine Program Presented.

The first meeting of the club year of the Domestic Science Round Table was held yesterday afternoon at the home of Mrs. Andrew Russell, 1109 Mound avenue. The Russell home, one of the largest and best in the city of many beautiful homes was prettily decorated with autumn foliage, and nature had so well done her work that the approach to the home and the view from within were certainly a joy to the eye. The club especially appreciates the generosity and hospitality in the use of the Russell home, at this time as Mrs. Russell is in California. Mrs. Charles Fawcett acted as hostess in Mrs. Russell's absence.

A delightful program had been promised, and the members who were present to the number of 150 were not disappointed.

Mrs. J. J. Reeve, chairman of the club presided. Mrs. Reeve announced the meeting for November to be held at the Illinois Woman's college, at which time Mrs. Grace Pickle, teacher of Domestic Science will give a talk on "Budget Making" and Miss Boyd, teacher of Household Arts, will give a sketch entitled, "A High School Clothes Line." Miss Boyd will be assisted by a number of young ladies from the college.

After the business meeting Mrs. Hackett Wilder sang, "Goodbye Summer" by Tosci, and "The Pine Tree" by Mary Turner Salter. These were very much enjoyed.

Plea for Sanitarium.

Mr. A. A. Curry, president of the Tuberculosis Sanitarium Board was present and was asked to talk to the club concerning what had been accomplished. Mr. Curry said there was no doubt that if the Women's clubs of the county would get back of this movement that the Sanitarium would soon be in working order. The principal need just now is the furniture for the lower floors of the hospital as the county would furnish the money for running expenses. The hospital will be free to patients of Morgan county, and for patients coming from other counties they would charge according to the needs of the patient. The Board is very anxious to get the institution in running order as the need is immediate and great. Mr. Curry was followed by Mrs. Reeve who made a very earnest plea that we endeavor to assist this work in every way, urging us to not now forget the boys whom we had taken such a deep interest in during the war.

V. R. Riley Tells of Trip.

Mrs. Reeve then introduced Mr. Vincent Riley, president of the Rotary club, and who was a delegate to the Rotary convention held in Edinburgh, Scotland the past summer. Mr. Riley told the club of some of his experiences and observations during his stay abroad but he prefaced his remarks with the assurance that he would do his part toward furnishing a room for the Tubercular Sanitarium.

Mr. Riley referred to the Atlantic ocean which was once considered a barrier between nations as a highway. He found southern England, where he first landed a very charming spot; the rural scenery along the railroad right-of-way very beautiful. He spoke of the different characteristics of the native Englishmen and told some very amusing incidents. He gave an account of his trip thru Ireland and Scotland and what a great pleasure it was to meet the Scottish people in their homes, and receive their hospitality.

World Representation.

In the Rotary convention there were gathered together business men, representatives of almost every civilized nation of the world. People came in groups and dressed in the national custom of their own land, and the one predominating thought was how war in the future could be done away with. Of all the interesting places that Mr. Riley visited in that beautiful country he enjoyed none so much as that where Thomas Gray the author of "Elegy, Written in a Country Churchyard"

lived. In this particular spot William Penn, of Pennsylvania Quaker fame, also lived. Mr. Riley spoke of meeting Dr. and Mrs. Wadsworth at Chateau Thierry as representatives of the Methodist Memorial, and of the wonderful work they are doing among the people scattered about there.

He spoke of Switzerland as a most charming country; told of the primitive method used in cutting their grain and explained the financial situation. This old country has been in wars as far as history goes and the people are tired of it and want our help. Mr. Riley's travel talk was very interesting to all present.

At the conclusion of the program dainty refreshments in keeping with the Halloween season were served and a social hour enjoyed.

Mrs. John C. Goltra of Los Angeles, Cal., and Mrs. F. E. Morrison of Akron, Ohio, were guests of the club.

Mrs. Fawcett was assisted by Mesdames H. M. Andre, G. B. Andre, W. L. Alexander, Clifford Alves, W. W. Anderson, W. O. Baumgartner, George Baxter, E. P. Brockhouse, E. S. Bergschneider, Carl Black, A. C. Baldwin, W. C. Bradish, O. N. Barr, F. W. Bolton, George Bailey, John F. Buckley, T. H. Buckthorpe, O. F. Buffe, E. G. Caldwell, J. W. Chipchase, Charles Clampt, J. W. Clary, Homer Wood, J. J. Reeve, and Misses Mayme Allison, Luella Blackburn and Mildred Brown. Mrs. J. P. CLAUSS, Press Correspondent.

Be Fitted in a Pink Brocade Roberta

FOR the slim, there are pretty topless models—soft and supple, which idealize the fashionable, natural figure lines. There is a beauty offered at \$5.

THE "average" figure which is neither slim nor stout requires careful corseting to keep it to these satisfactory proportions.

A ROBERTA Laced-in-Front has been designed to mould such a figure into graceful lines which make all fashions becoming. In pink brocade, \$5.

THE "large figure" corset requirements test the skill of the corset designer. The Roberta, for the large figure is a comfortable corset, a handsome corset, and a corset which insures the wearer a smart, graceful, attractive figure. Price, in fancy pink material, \$10.

ROBERTA Laced-in-Front are each and every one designed on living models by a master designer.

THE back line is beautifully slender, and the figure is held to attractive natural figure curves.

The self-adjusting shield under the lacing improves the fit and increases the comfort; the black rubber-covered Amazon boeing and soft top clasps are special Roberta features.

JACKSONVILLE TAKES WHITE HALL INTO CAMP

Jacksonville high defeated White Hall high on Illinois field Saturday afternoon in one of the most exciting games of the season. Both teams had scoring ability and the game was tied and untied several times. When the final whistle sounded the score was 28 to 21 in favor of the locals.

It was a game marked by many thrills for the spectators. Both teams played good football and bad football and there was considerable fumbling but in this the teams were about even. Jacksonville while it pulled some forward passes relied mainly on straight football and was able to gain thru the White Hall line and in end runs and off tackle plays.

White Hall on the other hand was not able to do much with the locals on line plays and end runs and relied on the passing game for gains. The visitors proved adept at this game and it was largely responsible for their three touchdowns as in one instance it put the ball within easy scoring distance and in another it gave them a score.

For the locals Arter, Hunt, Hopper, and E. Arnold played a whole of an offensive game and also did good work on defense. The rest of the local's line and the ends were able to take care of their opponents at all times.

Boyd, Painter, Smith, Goode and Search played a fine game for White Hall and won much approbation from the spectators for their clean playing and their ability in all departments of the game. White Hall kicked off to Jacksonville at the beginning of the game. Jacksonville immediately marched down the field with straight football, Arter, Hunt, Hopper and Lewis carrying the

ball. Hopper went thru the line for the touchdown and Hunt kicked goal. White Hall had the ball in her possession with the goal to gain when the quarter ended.

At the beginning of the second quarter White Hall tried desperately to push the ball over but failed, being held for downs. After the ball had passed over several times, neither team being able to gain consistently, White Hall got away with a long pass which was turned into a touchdown. Goal was kicked making the score 7 to 7. Jacksonville had the ball in her possession when the half ended, no more scoring being done by either team.

Jacksonville kicked off at the beginning of the third quarter. The ball hit inside the gridiron and rolled over the goal line. White Hall evidently did not know what to do and let Putnam fall on the ball for a touchdown. Hunt kicked goal, score, Jacksonville 14, White Hall 7.

Jacksonville again kicked off and the ball passed over several times. After forcing White Hall to kick Jacksonville pulled a pass for about 40 yards. Then Hunt made another first down and E. Arnold was sent over for a touchdown and Hunt kicked goal.

With the score 21 to 7 it looked like it was all over but White Hall still had lots of fight. Jacksonville kicked off to White Hall and the visitors immediately pulled two forward passes, the second putting the ball over the goal line and the goal was kicked making the score 21 to 14 in favor of Jacksonville. No more scoring was done in the third quarter. White Hall having the ball when the quarter ended.

White Hall fought hard. White Hall started a determined attack at the beginning of the fourth quarter which finally carried the ball over and goal was kicked again tying the game up. White Hall kicked off to Jacksonville and the locals started hammering the line supplemented with end runs and the ball was worked steadily down the field. E. Arnold going over for a touchdown and Hunt kicking goal. Score, Jacksonville 28, White Hall 21. That ended the scoring. Jacksonville having the ball and having made two first downs just as time was called. The line-up: Jacksonville: Pos. White Hall: Putnam, ... Boyd, ... Mansfield, ... R. Arnold, ... Williams, ... Hackett, ... Singleton, ... Hunt, ... Painter, ... Lewis, ... Goode, ... Arter, ... Smith, ... C. Hopper, ... Hansberger.

BRADLEY UPSETS ILLINOIS TEAM

Blue and White Show Startling Reversal of Form and Lose by Three Touchdowns—Were Never Able to Get Together.

Illinois College showing a startling reversal in form went down to defeat before Bradley at Peoria Saturday afternoon, the final score being 20 to 0.

Coach Harmon told the Journal over the long distance telephone last night that Illinois did not look like the same team that trampled on Normal here a week ago. The men did not seem to be able to get together on either offense or defense except in the second and third quarters when they kept Bradley from scoring.

Bradley scored two touchdowns in the first quarter neither of which should have been made had Illinois been playing real football. The first came when Illinois kicked off to Bradley. Bradley pulled that old stone age lateral pass from the man who received the kick to one of his teammates along the side line and the ball for the touchdown and Hunt kicked goal.

In the same quarter Illinois fumbled with the ball on her own twenty yard line and Ettlinger grabbed the ball and ran the distance to the goal for a touchdown and a goal was kicked. The last one came when Drossa caught an Illinois punt and ran in back for a touchdown. He also scored the first touchdown. The lineup: Illinois: Allen, ... Dale, ... Barrett, ... Reiblin, ... Zierott, ... Burrus, ... Miller, ... Fiedling, ... Schmitt, ... Gunn, ... Meiner, ... Reid, ... Saminski, ... Wright, ... Ettlinger, ... Cully, ... Drossa, ... Ferreira, ... Borrell, ... Jones, ... OHIO STATE HUMBLER MICHIGAN 14-0

ANN ARBOR, Mich., Oct. 22.—Ohio State took another stride forward the Western Conference title here today outplaying Michigan at all stages of the game and winning 14 to 0.

Michigan's line outweighed ten pounds to the man by the strong Ohio forward wall, crumpled at the critical moment. Steketee previously counted as one of the best punters in the conference was outclassed by Stuart.

The visitors made a majority of their gains in aerial play. Of nine forward passes attempted by the Buckeyes, four were successful, each of them netting long gains. But two Ohio passes were intercepted.

Michigan attempted eleven passes, the four successful ones being for small gains.

FOURTH GAME OF SERIES TODAY

The Indians and Browns will play the fourth game of the city series this afternoon at South Side park. The Indians have the jump on their opponents and will try to settle the argument by winning this afternoon. The Browns will try just as hard to even up the series.

Cain and Seymour will be on the mound for their respective teams and if they are right the fans may look for another pitchers' battle. The teams will present the same lineup they used a week ago. The game will be called at 2:30 o'clock.

Mr. and Mrs. Simon Blackburn and Fred Ducklema were among city callers yesterday from Lynnville.

Chicago Wins Over Princeton Tigers

PRINCETON, N. J., Oct. 22.—The University of Chicago defeated the Princeton football team in Palmer Stadium today by a score of 9 to 0 and thus gained one of the greatest victories it has ever scored.

A goal from field and a touchdown on a forward pass represented the score.

About 15,000 persons saw the game.

The victory was the first ever earned against the so-called "big three" of the east by a middle western team. The western triumph was not expected by the followers of the Tiger team for they looked for a Princeton victory by a close score. Reports had come from the west that Alonzo Stagg, head coach of the Chicago squad had a great team and would carry victory back with him to the shores of Lake Michigan, but the stories were not taken seriously. Chicago played a great game, seldom being on the defensive and her goal line was never in danger.

While the whole Chicago eleven played magnificent football, several men stood out above the others, and among these Milton A. Romney, of Salt Lake City, Utah, was the bright particular star.

It was his unerring toe that gave the Western boys their three points in the second period and his sure catch of a forward pass in the final quarter that added six points to the score. He was a giant in attack, sure on defense and when it came to delivering the punch he did not fail.

Judged in the eyes of the cold analytical expert the game did not produce anything radically new in football. It was straight, orthodox stuff from end to end. If Chicago had any startling, bewildering plays she did not reveal them. In fact to some of the experts it appeared that Princeton looking for tricks and dazzling stunts, was really fooled by the simplicity of the Chicago attack.

When Chicago actually did try an unusual variation—the Tigers usually divined it and broke it up. One of these was the whirling around of the backfield men, an instant before the ball was put in play. At times the game was dull because the absence of any amount of open play and the frequency which the contest was stopped to send in substitutes and to fix up the injured.

Five forward passes were attempted. The Princeton team was a great disappointment to its followers. They had hoped the team would take a brace after its defeat by the Navy a week ago but they were doomed to disappointment before the first half was over. The team as a whole seemed to lack the spirit and dash usually shown by Tiger eleven in a big game.

"Princeton played a courageous game," said the Veteran Staff. Victory was particularly sweet to the Chicago coach. Years before any member of either team was born Stagg played against Princeton as a member of the Yale team and it was one of the ambitions of his football career to lead a team that would beat a Tiger eleven.

Captain Keck, of Princeton, said: "The best team won, but we fought hard."

The line-up: Chicago, 9 Position Princeton, 0 Stohmelt, ... Tyson, ... Fletcher, ... Keck (C), ... Miller, ... Schilling, ... King, ... Wittmer, ... Redmon, ... Morgan, ... McGuire (C), ... Hooper, ... Crissler, ... Stinson, ... Romney, ... Ewer, ... Cole, ... Gilroy, ... Bryan, ... Smith, ... Timme, ... VanGerbig.

Score by periods: Chicago, 9; Princeton, 0. Summary: Chicago scoring: Touchdown, Romney; Field goal, Romney. Referee, C. E. Eldridge, Michigan. Umpire, Al Sharpe, Yale. Linesman, R. G. St. John, Notre Dame. Field Judge, F. R. Merritt, Dartmouth.

PENN STATE HOLDS HARVARD EVEN

Cambridge, Mass., Oct. 22.—Honors were even in the Penn State-Harvard game today, score 21 to 21. It was a game of hard hammering, hard running and scintillant open field play. Harvard led at the start and scored touchdown on a touchdown with completing goals.

Penn State followed suit and finally gained the lead, but Harvard, defeat impending, gathered its strength and scored again for a tie.

YALE DEFEATS ARMY 14 TO 7

New Haven, Conn., Oct. 22.—Yale defeated the United States Military Academy in a brilliant game today 14 to 7, before a crowd of 72,000 persons. A series of spectacular plays were crowded in to the final period in which each team scored a touchdown. Yale's first touchdown came in the third period while Army scored in the last period.

The Cornhuskers made but three first downs during the entire game. Notre Dame made 13 first downs and kept the ball in Nebraska territory thruout the greater part of play.

CARTHAGE WINS FROM HEDDING

CARTHAGE, Ill., Oct. 22.—Carthage college defeated Hedding today, 45 to 0. Carthage completed several long passes and scored a field goal from the 45-yard line.

COE COLLEGE WINS FROM DUBUQUE

CEDAR RAPIDS, Ia., Oct. 22.—Coe college defeated Dubuque university here today, 28 to 7. The Dubuque line was solid but the Coe backs ran the ends for big gains and pierced the line for the few yards necessary for scoring. Pence skirted left end on the first play of the game behind perfect interference and ran 60 yards for a touchdown with Colby making a beautiful block to clear the line out of the way. McNease made many end runs for long gains. The Vermont team, starting at end, Armistead, Dubuque flash, was stopped by good tackling. Dubuque scored in the last two minutes on a long end run and a pass.

NOTRE DAME WON FROM NEBRASKA

South Bend, Ind., Oct. 22.—Notre Dame earned a 7 to 0 victory over Nebraska today in one of the most stubbornly contested football games of the year. Offensive and defensive work of the Notre Dame line stood out. Nebraska was never within scoring distance and did not make a first down until the third quarter.

The Cornhuskers made but three first downs during the entire game. Notre Dame made 13 first downs and kept the ball in Nebraska territory thruout the greater part of play.

WISCONSIN DEFEATS ILLINOIS UNIVERSITY

URBANA, Ill., Oct. 22.—Wisconsin Cardinal clad warriors established themselves in the race for the West Conference Football Championship today when they defeated Illinois 19 to 0, in one of the most ragged games played in the conference this season.

The Illini played hard and tackled with desperation that was about all they could do against the Badgers, defeat was the Illini's second in the championship race. It virtually eliminated them from further consideration. Except for the first period when Illinois outplayed the Badgers, Wisconsin was master of the situation and came in a driving attack and outcharged the Illinois forward line. Illinois, defeated by Iowa a week ago, started out with whirlwind attack in the first period and came danger near scoring with forward passes but Sundt, the Bad fullback, intercepted a pass on the ten yard line and Illini never threatened after that.

Wisconsin's three touchdowns, except one, were largely the result of Illinois' misplays. In the second period with the ball in play on the edge of the gridiron the Badgers blocked a punt on the 27-yard line and it rolled to within three yards of the Illinois goal, where Brumm, the Badgers' right tackle, grabbed it and plunged over the goal for the first touchdown.

Illinois' defensive apparently crumpled in the fourth period and the Badgers crashed over for two more touchdowns, one being the result of a fumble. Elliott made a thrilling 50-yard run around left end for a touchdown, ducking Walquist and three other Illinois' tacklers in his race for the goal. Near the end of the game, Wood, who replaced Gibson as quarterback, grabbed an Illinois pass that bounced out of Rollins' hands on the 15-yard line and scored the third touchdown.

Illinois excelled in aerial attack but its backfield did not compare with Wisconsin's. The Badger backfield, Elliott, Sundt and Williams presented a driving combination that made big gains. Williams tore through the line for repeated gains of 10 to 12 yards, while Sundt and Elliott also came through whenever called upon.

Wisconsin did not complete a single forward pass although a dozen or more were attempted. Illinois was apparently set to break up the Badgers' aerial attack. A capacity crowd of 20,000 witnessed the game.

DEATHS

Tingle.

On October 20, at Eugene, Oregon, passed into the arms of Jesus, Alfred, aged two years, dearly beloved son of Sarah Ellen Capps Tingle and the late Dr. Bishop Tingle, one time professor in Illinois college.

Mrs. Tingle, who is a daughter of the late William Capps, has been resident in Oregon for several years. The numerous Jacksonville friends of Mrs. Tingle will learn with genuine regret of the sorrow which has come into her home.

Happy.

Mrs. Martha Ann Happy died yesterday afternoon at her home on South Clay avenue. The deceased was born in Franklin,

Ill., and lived there for many years with her parents, Mr. and Mrs. Frank Tefft, both of whom are dead.

She is survived by three children, George Happy, at home, Mrs. R. R. Smith, St. Louis and William Happy also at home. She has lived in this community all of her life and was a faithful member of the Centenary M. E. church. The remains were taken to the Gillham Funeral Home to be prepared for burial. The date and time of the funeral services will be announced later.

Funerals

Dodsworth

Funeral services for Mrs. John Dodsworth were held at the Lynville M. E. church yesterday morning at 11 o'clock, in charge of Rev. G. T. Wetzel. Before the

services a number of beautiful songs were rendered by Mrs. Frank Ranson, Mrs. Fred Scholfield, Mr. Fred Scholfield, W. W. Gillham. Fred Masters sang a solo accompanied by Mrs. W. S. Scholfield.

The lovely floral tributes were cared for by Mrs. Albert Potter, Mrs. Leora Rawlinwg and Miss Gertrude Gordon. The bearers were Walter Fearnough, Al-

bert Potter, Edgar Watson, Roy McKelley, Walter Duckwell and Fred Backwell.

After the services the funeral procession moved from the Lynville church to Diamond Grove cemetery where interment was made.

"DANGEROUS CURVE AHEAD"

A Comedy Drama of Married Life with

Helene Chadwick and Richard Dix

Most motion pictures end with a marriage. But here's one that begins with a marriage—a marriage of just two such young people as started their great adventure next door to you this summer.

Any wife will laugh a lot and cry a lot—when she sees it. Husbands will come away from this picture with a deeper understanding of what their young wives have to cope with. Fathers and mothers will chuckle and weep over it.

There are dangerous curves that every married couple must take.

What are they? How can they be rounded without a crash? Perhaps you think you know.

"Dangerous Curve Ahead" shows them to you cleverly, lightly, yet with a deep insight into human hearts.

Author and director worked for one year on this picture. Together they evolved the many little touches that make it so amazingly lifelike.

This picture lives. It is something refreshingly new in the art of the screen.

NURSES CONSIDERED IMPORTANT THEMES

State Convention Held in Quincy Largely Attended — Passavant Hospital Nursing Staff Well Represented.

The annual meeting of the Illinois State Association of Graduate Nurses held in Quincy Thursday and Friday, proved an occasion of very great interest. There were several hundred delegates present representing hospitals in cities in all parts of the state. Among those who attended from Jacksonville were Miss S. B. Hoskins, R. N., superintendent of nurses at Passavant hospital, together with Miss Sophia Kirchhoff, R. N., Miss Blanche McCollom, R. N., Miss Della Davis, R. N., Mrs. Strandberg, R. N.

One of the principal events Thursday was the banquet when the principal address was made by Miss Clara D. Noyes, R. N., who is president of the American Nurses Association, and director of the nursing department of the American Red Cross, succeeding Miss Delano, now deceased, who filled the place with such signal ability.

At the Friday morning session which was held under the auspices of the Illinois League of Nursing Education, the principal address was by Miss Isabel Stewart of the Teachers College of Columbia University. In the afternoon addresses were made by Miss Mary C. Wheeler, R. N., superintendent of the Illinois Training School for Nurses, and Mr. W. H. Miller, director of the department of registration and education in Illinois.

At the final session one of the most interesting themes discussed was "The Small Hospital." The discussion was led by Mrs. Flo Wighton, R. N., superintendent Galesburg hospital.

BOY KICKED BY HORSE IS BADLY INJURED

Clarence Fearneyhough Is Patient at Passavant Hospital—Horse Ran Away.

Clarence Fearneyhough, fourteen year old son of Mr. and Mrs. Walter Fearneyhough of route 2, sustained serious injuries Saturday when he was kicked by a horse. The lad was kicked three times on the right leg by the frantic horse and the broken bone was in one place driven clear thru the flesh.

Dr. A. M. King was summoned and making a quick trip to the Fearneyhough farm, brought the injured boy to Passavant hospital. There examination showed a compound fracture of both bones of the right leg between the knee and the ankle.

The lad was driving a young horse hitched to a cart. The animal became frightened at a threshing machine and as it reared the breaching of the harness was broken and the cart ran against the horse's legs. The serious injury resulting will keep the lad a patient at the hospital for several weeks.

MRS. SPAINHOWER FELL AND FRACTURED HIP

Mrs. Emily Spainhower, who resides with her stepson, Riley Spainhower, in the Pisgah neighborhood, fell yesterday and sustained a fracture of the left hip. Mrs. Spainhower was preparing to go to church when she slipped and the injury resulted. Dr. Henderson brought her to the hospital, where the X-ray revealed the fracture. Mrs. Spainhower's age and the shock of the accident have complicated her condition.

MATRIMONY

Smith-Tribble.
Miss Mildred Tribble of Franklin and William Smith of this city were united in marriage last week by Rev. C. E. French of Virginia. The ceremony took place in that city and came as a complete surprise to the many friends of the young couple.

The bride is the daughter of Mr. and Mrs. J. W. Tribble of Franklin and has for some time been employed at Maplecrest Sanitarium. Mr. Smith is the son of Mr. and Mrs. W. H. Smith, and is employed as a presser at Schoedsack's cleaning establishment. They will make their home at 1509 South Church street.

Alexander-Daniel.

Miss Marie Daniel of Murrayville and Loran Alexander of this city were quietly married last evening by Rev. M. L. Pontius at the Christian church parsonage. Only a few relatives and intimate friends of the contracting parties were present. After the ceremony a wedding supper at the home of the groom's parents, 352 West North street, was served. They will make their home there also.

The bride is the daughter of Mr. and Mrs. Marshall Daniel of Murrayville and for a year has been employed at the New Methodist book bindery. She has many friends here in this city and Murrayville. Mr. Alexander is an operator at Capps factory and has attended the local high school.

The young people who are very highly esteemed by those who know them, received a great many gifts as evidence of good will. They are to reside for the present at the Alexander home, 352 West North street.

Powell-Gowdy.

A very pretty wedding took place at the home of Rev. and Mrs. Gowdy Saturday at high noon when their daughter, Eveanna became the bride of Roy Powell of Chicago. The house was very beautifully decorated for the occasion with cut flowers and ferns and the color scheme of green and pink was used thruout the decorations. The father of the bride, Rev. D. V. Gowdy, former pastor of the Centenary church of this city performed the ceremony. The ring ceremony being used. Little Bobby Tull was the ring bearer. The bride was gowned in a lovely garment of pale green charmeuse trimmed in pearls. The maid of honor, Miss Helen Gowdy, and the bridesmaids, Pauline Tull, Beulah Tull Coddington, Louise Powell and Mary Elizabeth McCoy, were gowned in pale green crepe de chene. The groom was attended by Liston Harper of Chicago.

The bride is the daughter of Rev. and Mrs. Gowdy, former residents of this city. She attended the Illinois Woman's college of this city. She is a young woman of sterling character and has won for herself many friends.

The groom's home is in Scranton, Pennsylvania. He attended the University of Pennsylvania, and for the past five years has been connected with Marshall Field company in Chicago.

Immediately following the ceremony an elaborate six course wedding dinner was served to about fifty relatives and friends. The young people drove to Chicago Saturday afternoon where they will make their home and took with them the best wishes of a host of friends.

HELD SALE OF HOUSEHOLD GOODS

T. M. Burrus and C. E. Butler, administrators of the estate of the late Mrs. William Ezard held a sale of household goods at the late residence in Murrayville Saturday afternoon. It was largely attended and high prices prevailed. Albert Spencer was the auctioneer while Thomas Doyle served as clerk.

MADE VISIT IN KANSAS CITY

S. M. Henderson returned yesterday from Kansas City where he went to accompany Mrs. Henderson on her journey to Tucson, Ariz. where she will spend the winter. Mrs. Henderson has been sick for a long period but she stood the journey to Kansas City well and there is every reason for thinking that her stay in the southwest will be very beneficial.

While in Kansas City Mr. Henderson spent some time at the home of his aunt, Mrs. C. W. Craig, and at the home of another relative, Silas Emerick, formerly of Concord. Mr. Emerick was injured several weeks ago by an auto truck and since that time has been in the city hospital. He has not yet recovered from his injuries but shows some signs of improvement, a fact which will be very gratifying to his many Morgan county friends.

AUTO SHOW CLOSES IN BLAZE OF GLORY

Proved Most Successful Event—Results of Guessing Contests.

The big Second Annual Auto Show and Merchants' Exposition ended last night and was one of the most successful enterprises of its kind ever held in this city. The officials had their hands full to regulate the huge crowd. The various contests that ended last night also attracted a lot of attention and wherever results were being given out the crowd made such a jam that it was absolutely impossible to go one way or the other.

Joy Bros. contest occasioned more interest and amusement than any of the others. It was a guessing contest on the number of strokes of a tire pump necessary to blow up a 36x4 1-2 Ajax grey inner tube. Guesses ranged all the way from 50 to 2,800. The total number required however was 2,863. It took from 8:30 to 9:45 to blow it up and when it did it made quite an explosion. The tube swelled and swelled until it was about two feet thick and about ten feet in diameter. The prizes for this contest were given to Edward Harmonan, a 30x3 1-2 Ajax Cord Tire; Otis Keltner, spot light; and W. D. McLaughlin, a tire pump.

At Gilbert's booth Margaret Trotter, C. J. Ratachak, R. H. Davis, Carrie Day and Nellie Stewart won the boxes of candy. At Shadid's, George Warfield, and C. J. Ratachak won the boxes of polish and B. F. Shafer won the pair of shoes. McNamara and Henegan gave two sacks of flour to Mrs. R. N. Sullivan and Mrs. Clifford Cox.

Louis Horen's contest as to the number of coins in a jar was tied for by three persons. The prize was to be a sweater but Mr. Horen is a good sport, so he is giving all three of the winners a sweater. These three are A. E. Phillips, C. E. Massey, and Helen Ogle. The U. S. Underwriters announced the winners of the three policies they are giving away as W. D. Cody, A. A. Renner and Penny Henderson. They had a guessing contest as to the number of nails in a jar.

The Princess Candy company had one of the most unique and largely patronized contests ever held in the city. The huge sticks of candy in the store window on the south side of the square drew about two-thirds of the city population as guessers. The total number of guessers was 9,315 and the guesses ranged from 2 to 500 pounds. The winners were decided by drawing the lucky names with these results: First, Dannie Moore, of the Loop Cafe; second, J. A. Moore, Rural route number seven; and third, Gregory Guinnan. But one college boy looked as if he was a lucky name. The correct weight of the candy was 42 pounds and 15 ounces. Eighteen people guessed 42 pounds, which was the nearest guess to the correct weight. The candy was weighed by Harry Primis and the scales were furnished by Smith's Hardware Co. The astonishing number of 9,315 guesses shows that the people of this community took an unusual interest in this contest.

At a late hour last night, the Cherry officials completed the count of the total attendance and selected the winners. It was some job and it was after midnight before they finished. The total count shows that 20,063 entered the show from Thursday afternoon thru Saturday night. It is hard to realize that this stupendous number is true but the Cherry management had adding machines in the job and these figures are correct. There were four prizes offered and the winners are as follows: 1st, Mrs. F. L. Gotschall, Lee puncture-proof tire (20,025); 2nd, F. V. Correa, Kelly Springfield Fabric Tire (20,010); 3rd H. C. Liffert, Lee Inner tube (20,001); and for 4th there was a large number who tied with the guess of 20,000 so the names were shaken up in a hat and the first one drawn awarded the prize. Maymie Gray was the name chosen and the prize is a Kelly Inner Tube.

The figures on the remarkable attendance show that 5256 entered the show Thursday, 5457 Friday and 9350 on Saturday.

Mollenbrok and McCullough**With Morgan County Poets**

The American Literary Association wishes to announce that it will give every three months a year's membership, including subscription to The American Poetry Magazine, as a prize for the best poem appearing in this column during that period.

The Proofreaders and the editor of the column will continue to use their own judgment as to what shall be published here. But contributors who mark their poems "American Poetry Magazine Contest" may have their MSS. submitted to the judges of the contest.

As this column is devoted to home poets, natives of Morgan County only, or students of her schools and colleges, will be expected to compete.

OCTOBER

Hail, bright rainbow of autumn,
With all thy gorgeous coloring,
And thy cool and scentless asters,
Floral evening-stars of the year!
The blue sky hides no storms, but hangs
A visible benediction
Over all God's handiwork.
And the vapor clings about us
Like a glorious bridal-veil.
The leaves drop quietly to earth
As tears that fall without sobbing.
All nature is consciously sad,
Meditating her own decay.
Yet what perfect resignation,
Like the last hours of a good man
On the brink of dissolution,
She looks serenely back awhile
O'er bud and bloom and ripened fruit.
The labor of months is finished,
And she may close her doors and rest.
How touching her fidelity,
And yet what a rebuke to man!
For none have lived with qualities
More noble than the forest trees,
Whose mute obedience to law
Is a ceaseless monitor.
Better were the autumn of life
More like the brown, withering leaf,
Content to wither and fall,
Rather than wither and cling.
If the falling of hopes at last
Did, like the ripening leaves
But let in more of the sky,
We should go down to our rest
Like a battered, but still bannered army
Quietly marching home.

NEWS NOTES

George Griffin has been employed as night watchman, entering on his duties this week. The law firm of Neiger and Mill has prepared a petition to the state in behalf of the city of Virginia asking that the route of the new hard road leading from Beardstown to Ashland follow the present state road, instead of being routed north of the B. & O. S. W. railroad tracks. Boosters are on both sides. While some argue the state road leading through the south part of the square is the proper place, others contend that if the road ran through the north part of the city, that building lots could be laid off and the growth of the city encouraged.

Mr. and Mrs. John Washing have moved into their recently purchased residence on North Main street.

Miss Mollie Cleary is spending the week with relatives in Liberty.

Mr. and Mrs. E. N. Chamberlain of Dow City, Ia., are now residents of this city.

Relatives in this city have been apprised of the arrival of twins at the home of Mr. and Mrs. W. E. Munson in New Berlin. The new arrivals, a son and a daughter, will be christened Tom Arnd and Josephine Ann. The mother will be remembered as Miss Helen Martin of this city.

Mr. and Mrs. T. L. Barber and family attended the Legion burgo at Arenzville Thursday.

Mr. and Mrs. Frank Cline of East Cass were guests at J. W. Garner's home Thursday and also attended the funeral of the late N. T. Sudbrink.

Mr. and Mrs. A. R. Taylor and family of Taylorville were called to this city by the death of Mr. Sudbrink.

Mr. and Mrs. Athol Garner and Irvin Coulson and Frank Walker of Chapin were visitors in this city Monday.

LANE'S BOOK STORE**FARM BUREAU NOTES**

Demand for Smoother Type of Corn—Several very interesting points were brought out at the field demonstration meeting at Lynnvill on Thursday. C. A. Rowe, who had charge of the demonstration at Fred Watson's field, had several ears of both diseased and disease free corn. Mr. Rowe frankly stated that his experience this year indicated that the smoother type of corn would contain less rotten corn than the rough type. Mr. Watson who acted upon a tip he got this spring and planted his field with the smooth type also though that he had better corn from the smooth type than he had from the rough type. The testimony from these men who tried the two types under field conditions is full of valuable suggestions to us for another year. If any reader wishes either of the experiment station bulletin or the Farmers' bulletin dealing with root, stalk and ear rot diseases, we have a supply at the Farm Bureau office.

The One Day Farmers' Institute—The attendance at Murrayville, Liberty and Lynnvill was very encouraging. Not only the farmers but the Ladies Aid at all three points cooperated nicely with Secretary E. R. Hembrough in making these meetings both a social and business success. Another year exhibits could be arranged at these one day institutes with added interest. The Farmers' Institute is not a dead institution.

Thrashing Soybeans—Farmers who find it convenient to visit Fred Moeller this coming week will quite likely find him thrashing soybeans with a new separator with a special soybean attachment. F. E. Drury and Mr. Moeller are both going to thresh this coming week and the proceeding will furnish a sort of continuous performance for the parties who care to travel to Orleans.

Corn For Cob Pipes—Several farmers in Morgan county have raised the large white corn for a firm that makes cob pipes. The cobs sell for 1¢ each. This is more than the corn is worth. F. E. Drury gave the county agent a typical ear the other day and it is really worth looking at. We suspect that if every body went into this particular line of corn raising the price would drop.

ALASKA IS FARMERS' LAND, ST. LOUISIAN SAYS

Steel Man Just Returned from Big Game Hunt, Describes Experiences.

Alaska as a land of wonderful vegetable growth during the summer season, as a country just stirring to productive life and as a home of farmers instead of gold diggers, is described by Harry Scullin, president of the Scullin Steel company, who has recently returned from a big game hunt near Mount McKinley.

The St. Louis Globe tells how Scullin and his party spent five weeks during the season of warm days and sunshiny nights and bagged three grizzly bears, three woodland caribou and three mountain sheep during their hunt.

Besides observing the agricultural development of Southern Alaska, where the farmers raise wheat, turnips, cabbages, tomatoes and all sorts of berries, Scullin made a visit to Dawson, once the stronghold of gold mining days. He described the once booming town as a struggling town of 700 residents who live in the midst of deserted shacks and saloons.

The fact that Dawson is built upon an underground glacier was one of the most striking subjects of comment by the St. Louis steel man. The Dawson housewife, he said, merely goes down in the cellar and lowers her food to the surface of solid ice. The existence of the glacial ice is said to explain the great period of productivity which Alaska enjoys during its six weeks of summer.

Bright sunshine practically night and day melts the ice under the layer of earth and provides plenty of moisture for crops, Scullin explained. The government is experimenting with types of corn in order to find a species practicable for cultivation there. A railroad from Steward to Nenana, over 500 miles in length, is almost completed, Scullin said. This will prove a big factor in the further development of the country.

SAYS FILM ACTORS BLAMED UNJUSTLY

A reader of the Journal has sent for publication the following defense of film actors in connection with the Arbuckle case. The article was written by Lloyd Ingraham for the Kansas City Post:

"Run your eye down over the list of the known guests of Roscoe Arbuckle at his convivial party and you will see how unjust it is to call it a 'motion picture crowd,' as some of the newspaper comments are doing.

"Of the more than a dozen known guests of the star only two were actors, and of these two Miss Rappe had appeared in only a few short comedy pictures. The rest were from various walks of life.

"Three of the guests, it seemed, were married women. Shall we then be so absurd and unjust as to say our housewives are spending their time carousing?

"The whole acting profession sometimes pays a heavy price for the popular interest its members awaken. If one of these goes astray morally or is involved in any affair that a gossiping world finds a sweet morsel, it seems to be felt necessary to lay stress on the profession.

"Someone recently made an investigation in the records and found that more physicians were divorced than actors and that there are more former ministers serving terms in jail than players. Isn't it clear that guilt is individual and not a matter of one's vocation, except perhaps as a vocation may throw temptation in one's way?

"Film actors cannot dissipate. If they do it stamps its effects on the countenance which the camera mercilessly records. When one considers that there are more than 5,000 actors in Los Angeles alone it is apparent that, while great prominence is given in the papers to any sensational fact about an actor, really a small proportion of them ever get into print."

ANNOUNCEMENT

The South Jacksonville Sunday school will be held at the Maple Grove school house at 2:30 o'clock Sunday, October 23. The co-operation of the people of that community is very much desired.

SAYS 500,000 WILL BE IMPRISONED IN 1921

Five hundred thousand men, women and children will enter prisons this year, stated A. D. Graves, secretary of the Central Howard association of Chicago, in an address before a St. Louis club Thursday.

Graves' forecast was made from records of previous years.

The Central Howard association is an organization formed for the purpose of ameliorating prison conditions and rehabilitating former prisoners.

"Fifty per cent of these 500,000 will be 'repeaters' who are classed as habitual criminals," declared Graves. "Between 50 and 60 per cent of all inmates of penal

institutions exhibit some form of mental or nervous abnormality, which is the greatest influence making for criminality.

"The presence of mental defects among prisoners makes evident the futility of attempting the blind, immutable enforcement of the law without attempting to solve and understand the prob-

lems these individuals present." Grave recommended the establishment of court clinics for investigation of the mental conditions of those sent before it.

"We assisted 972 former prison inmates last year," Graves continued, "and of these 85 per cent are doing admirably today. We consider this phenomenal, for if you

should go out on the street and designate 100 men indiscriminately a large per cent would not meet with success.

"Two hundred and fifty-one of our paroled men earned \$179,968 last year, an average of \$717 per man. It costs \$1000 to convict a man and \$250 to maintain him in prison for a year. All this was

saved the taxpayers by a contributed budget of less than one-fiftieth of the earnings of these men. Of 765 men paroled to us only sixty-two, or 12 per cent, were returned to institutions for the violation of their parole."

Twenty-one visiting Rotarians representing eighty states, were present at the luncheon.

An Invitation To Our Patrons and Friends

**Come In and See What a
Model Laundry Really Is**

Throughout the United States October 24 to 29 will be celebrated in modern laundries as visitors week.

We, in cooperation with 6,000 other laundries, will keep open house for our patrons and friends.

We want you to come and see for yourself what a modern laundry is really like—how clothes are washed, rinsed, dried, starched, and ironed; how every precaution is taken to give thorough cleanliness, and to safeguard the health of home and community.

For our part, it will be a pleasure to meet you personally, to make you feel that our laundry is in fact your laundry.

Come any time that will be convenient to you, however, we extend to you a special invitation to visit us

Are You Interested in Economical Operation?

There are two ways to operate a motor car—economically or extravagantly.

THE EXTRAVAGANT WAY consists of running until all parts are worn and some broken, then trade in on a new car.

THE ECONOMICAL WAY consists of having a competent mechanic adjust and oil at 500 miles, at 1500 miles, and each 1000 miles thereafter up to 20,000 miles, then rebuild.

On a basis of 50,000 miles in 5 years, your maintenance will be as follows: 1st case, 5 new \$2000 cars at a total cost of \$5,500.00. 2nd case, 50 jobs averaging \$25.00, at \$1250.00; 2 jobs at \$250.00, or \$500.00. Total \$1,750.00.

Saving of case No. 2 over case No. 1 is \$5,500.00 less \$1,750.00 or \$3,750.00 saving.

If there is any doubt in your mind these figures are not a fair approximation of the facts, see us and we will go into more positive proof to your entire satisfaction.

Church Services Today

State Street Presbyterian church—Rev. W. H. Marbach, pastor; T. M. Tomlinson, Sunday school superintendent; Mrs. Barry Brown, choir leader; Mrs. Helen Ayers Bullard, organist. A man when he is dead will ask the pastor to hold a whole service just for him. Yet the same man when he is alive will ignore a thousand perfectly good services that others would be glad to share with him. "If you are one of the 'once in death' or 'one-a-year' kind, why not change your mind and go to church Sunday? Four services are held at this church at the usual hours. The pastor preaches at morning and evening worship. Friends and strangers are always welcome. Come and bring your friend.

First Baptist church—Sunday school meets at 9:30 a. m. The Men's Bible class invites the men of the city to study of the Book. Morning worship is held at 10:45. Get the church going habit. Baptist Mission Sunday school meets at 2:30 p. m. The Baptist Young People's union is held at 6:30 p. m. This includes both the senior and intermediate. Over ninety present last Sunday. Evening worship is held at 7:30 p. m. Pastor A. P. Howells will preach. The mid week prayer meeting occurs on Wednesday at 7:30 p. m. Reports of the Illinois Baptist State convention just held at Rockford, Ill., will be made at this service.

Westminster Presbyterian church, corner of Westminster street and West College avenue—Sunday school at 9:30 a. m. College students' class led by Miss Margaret Moore. Kindergarten class meets at 10:30. Morning worship at 10:45. Dr. Smith will continue his series of "Straight Talks to Young People," the subject being "Ought We Always to Tell the Truth?" Miss Ainslie Moore will sing "Spirit of God," arranged by Neidlinger. At 6:30 p. m. the Christian Endeavor societies will meet—both the Young People's and the Intermediate—the topic being "What We Know About God." Psalm 139:1-12. At 7:30 the evening service will be held. The last three reels of the high-class film, "The Stream of Life," will be given. Dr. Smith will preach upon the theme, the service closing at 9 o'clock. Miss Ainslie Moore will sing. This film makes startlingly vivid the peril of drifting away from God. On Wednesday evening, Oct. 26th, Dr. Robert Scott of Chicago will give the very interesting moving picture film, "Olivet Institute." This depicts the wonderful work of Americanizing Chicago carried on by a church and settlement in a district containing 64,000 English speaking people of foreign parentage. The public is cordially invited to this meeting. On Friday evening the Men's Brotherhood will meet with S. I. Davis, it being their monthly meeting. The Junior Christian Endeavor society will meet at 1 p. m. on Saturdays hereafter, when gymnastic exercises and games will follow the meeting.

Pisgah Presbyterian church—On Sunday, Oct. 23rd, there will be Sunday school at 2:30 and a preaching service at 3:30 p. m. Dr. Thomas W. Smith will preach and the "College Men's Quartet" will give special selections. A large attendance is hoped for.

Trinity Episcopal church—J. F. Langton, rector. H. M. Andre, senior warden; Prof. J. G. Ames, junior warden. Twenty-second Sunday after Trinity. Early service at 7:30. Sunday school at 9:30. Morning prayer and sermon at 10:45. Evening prayer at 7:30. At the evening service the rector will preach the third sermon on the Bible, "The Witness of the New Testament to Christ." Tuesday, Guild in all day meeting.

Northminster Presbyterian church—Walter E. Spooner, minister. Preaching at 10:45 a. m. and 7:30 p. m. Dr. W. L. Darby of Washington, D. C., will preach both morning and evening. Dr. Darby is a schoolmate of the pastor and they have not met for a number of years. It is a great pleasure to the pastor to have him preach at this time. A special invitation is given to all Jacksonville to hear this distinguished preacher. Sunday school at 9:30 a. m. William Bieber, superintendent. A class for everybody. Christian Endeavor at 6:30 p. m. This meeting suits me. It will suit you. The prayer meeting on Wednesday evening at 7:30. The pastor will take it as a favor if you will hear Dr. Darby.

Grace Methodist Episcopal church, Thos. H. Tull, pastor—9:30 a. m. Sunday school, T. V. Hopper, superintendent. Interesting work is being done in all the classes. Come in time to hear the splendid orchestra numbers under the leadership of John Kearns. 10:45—morning worship. Theme of sermon "The Sufficiency of God's Grace." 6:30 p. m. Epworth League meeting. Miss Dorothy May Smith will be the leader. All young people not attending elsewhere are invited. You will want to come again. 7:30 evening worship. Theme of pastor's address "The Conquests of Mohammed." Program of music for the day will be for the morning service "Jesus Lover of My Soul"—Foss, Mrs. Beulah Coddington will sing "He Shall Give His Angels Charge"—Scott. In the evening "Jesus, Shepherd of the Sheep"—Briggs. "Blessed Are the Pure in Heart"—Hodges. All comers will be cordially welcomed to these services.

Associated Bible Students, East Morgan street. Regular meetings for Bible study, Sunday 10 a. m., and 7:30 p. m. Wednesday afternoon at 2 o'clock, praise prayer and testimony. All interested are cordially

Strangers in the city are especially urged to come. Prayer meeting on Wednesday evening. First quarterly conference Thursday evening October 27. All members of official board are requested to attend. Dr. E. L. Pletcher, district superintendent will preside.

You are cordially invited to work and worship with us.

Salem Evangelical Lutheran church, College and East street, Rev. J. G. Kuppler, pastor—Twenty-second Sunday after Trinity. Sunday school at 9:30 a. m. Public worship in German at 10:30 a. m. and in English at 7:30 p. m. A cordial welcome to all. The L. W. C. will give an entertainment and pie social at the school Friday evening, 8 o'clock. Come and bring your friends.

Centenary Methodist church, C. D. Robertson, pastor—This is "Homecoming Sunday." The spirit of homecoming and reunion will be observed in the Sunday school session the morning service. One feature of the morning service will be the announcement of the Honor Roll which consists of those who have responded to the request of the Finance committee for a voluntary pledge to the church budget before the every-member canvass. The Sunday school meets at 9:30. A. C. Metcalf, superintendent. Epworth League at 6:30. Leader, Garneda Phelps. Morning worship at 10:45. Theme, "The Laughter of God." Evening worship at 7:30. Theme, "The Greater Works." Troop 5, Boy Scouts, will take a short hike Monday evening to some point near the city and enjoy a picnic. The first quarterly conference will be held Wednesday evening. There will be a brief prayer service followed by the conference session in charge of District Superintendent Pletcher. The Ladies' Aid Society meets Thursday afternoon with Mrs. E. L. Kinney, 197 South Prairie street.

First Church of Christ, Scientist—523 West State street. Services Sunday, 11 a. m. Subject of the Lesson sermon "Probation After Death." Sunday school at 9:30 a. m. Wednesday evening. MURDER CASE BASIS OF REIGN OF TERROR

Communists Make Bomb Demonstration to Show Disapproval of Trial Results at Massachusetts Town.

An article in the Chicago Tribune Saturday appearing as a special from Boston, Mass., gives the story leading up to the bomb plots in Europe.

A local murder case at the little town of Dedham, Mass., has suddenly become international in scope and led to threats against the lives of American ambassadors and ministers in Europe, culminating in an attempt to assassinate Ambassador Herrick in Paris by means of a bomb.

And this is the manner in which the fate of the two Italian draft slackers, confessed radicals and convicted murderers, has become entwined with the safety of American representatives abroad. On April 25, 1920, four or five men in an automobile shot Frederick A. Parminter, paymaster, and his guard, Alessandro Berardelli, in an attempt to steal the Slater and Morrill Shoe company pay roll at South Braintree, twenty-five miles from here.

Two Suspects Arrested. Nicola Sacco and Bartolomeo Vanzetti were arrested on May 5, 1920. Elaborate plans were made for their defense, many of the country's leading radicals backing up their efforts of support with contributions which finally totaled \$60,000.

The case hinged on the question of identity. Several witnesses of the holdup and killing testified that the defendants were in the gang. Vanzetti was identified in the courtroom as one of a band who held up a paymaster at Bridgewater in December, 1919. He had been convicted and sentenced to ten to twelve years at state prison and was out on appeal when the South Braintree murder took place.

Both Sacco and Vanzetti were members of a group which disseminated soviet propaganda by voice and literature. They had been in this country more than a decade and neither had taken out naturalization papers. They were especially active, according to witnesses at the trial, before America entered the war, in their anti-aliened mischief.

When the United States draft act went into effect, both men fled to Mexico, returning only after the armistice. When arrested the police found enough ammunition to kill thirty-seven people and heaps of anarchistic literature in their rooms.

Italy's interest in the case was awakened by the widespread announcement of fellow radicals that the two prisoners would be "railroaded to the gallows," and by the affidavit presented by the defense, on one Cocci, a former clerk at the Italian consulate here, that Sacco was at the consulate on April 15, the day the murders occurred.

Vanzetti advanced an alibi that he was in Plymouth selling fish at the time of the killing. Marquis A. Ferrante, Italian consul here, attended several sessions of the trial, announcing at the time that his government had instructed him to observe the proceedings. Asked today whether he cared to speak on the new angles of the case, he said:

"I should not care to have it said I was present in court to see if there was fair play. There could be no doubt of that."

That trial lasted six weeks and was characterized by intense feeling, citizens of Dedham clashing frequently with radicals who were attending the trial.

Fair Charge to the Jury. In his charge to the jury Superior Judge Webster Thayer said: "Let your eyes be blinded to every ray of sympathy or prejudice and let them be willing to receive the sunshine of truth, reason, sound judgment, justice, and common sense. You are not to allow the fact that these men are Italians to influence you at all. Guilt or innocence do not depend on the place of one's birth."

The men were found guilty of murder in the first degree and given until Nov. 1 to file exceptions on questions of law. They have filed no exceptions. On Nov. 1 they are to be sentenced. It is believed in legal circles here that it is erroneously supposed in Europe that the men were sentenced to hang Nov. 1, and this explains the outbreak against Americans abroad at this time.

Now is the time to have your abstracts of title prepared for prospective Real Estate transactions. We write Insurance. The Morgan County Abstract Office, 232½ West State Street.

SUIT AGAINST C. P. & ST. L. Bluford Wilson and William Cotter as receivers of the C. P. & St. L. yesterday filed a suit to assume against T. H. Miller. The praecipe indicates that suit was brought on a claim of \$12.46.

LICENSED TO MARRY Loran Alexander, Jacksonville; Marie Daniel, Murrayville.

WHEAT CLOSED LOWER, PROVISIONS HIGHER

CHICAGO, Oct. 22.—Liquidation was in order on the Board of Trade today and with wheat leading all grains closed weak and lower. Wheat registered net losses of 13 to 21¢; corn was off 1 to 2¢ and oats were 1 to 4¢ lower. Provisions were generally higher with lard in the van. Wheat traders were timid at the start and the market fluctuated nervously. Trade in coarse grains was light and mainly local. Cash houses brought some December corn early but shipping sales were not impressive and in view of the general situation corn turned weak and followed in the trail of wheat dragging oats with it. Provisions averaged higher under lessened pressure. The railroad situation was the governing influence. I checked hedging sales as packers were cautious about offering October and November deliveries for fear of the strike. Another effect was the packers' demand for hogs for fresh meat with which to meet emergency orders in the event of a strike. Live hogs were consequently higher at the yards and this was reflected on the board. October lard closed 2½¢ higher, the other options being 7½ to 12½¢ higher, ribs unchanged to 10¢ higher and pork unchanged.

TRADING IN STOCKS ACTIVE SATURDAY

NEW YORK, Oct. 22.—Trading in stocks today was active but professional, involving much short covering. Rails were not noticeably influenced by further efforts of the administration to avert a strike, that phase of the situation evidently being neutralized by the cut in western freight rates. Steels moved in an uncertain manner, the cut in rails by the United States Steel Corporation being accepted as another indication of the keen competition now prevailing in that industry, coupled with the relatively high costs of production. Oils and equipments guided the general list to higher levels. Mexican Petroleum, Houston, Haskell and Barker, Pullman and Harvester making extreme gains of two to five points, sales amounted to 400,000.

Dealings in bonds were light at narrow changes, a majority of the Liberty issues easing. Rails of the speculative variety also shaded with transportation shares and foreign issues were featureless. Total sales (par value) aggregated \$6,150,000.

Noteworthy items in the clearing house statement included a decrease of \$73,000,000 in actual loans and discounts contraction of \$31,000,000 in reserves of members in the federal reserve bank and a decrease of about 41,600,000 in cash holdings, causing a deficit in excess reserve of \$2,535,000.

Weekly surveys of general business conditions were highly encouraging, western advices, for example reporting wholesale distribution in merchandising lines as far in excess of the corresponding period of last year.

There were liberal receipts of cream at the creameries during the week, with no particular change in price.

Reports that large quantities of New Zealand and Australian butter would arrive later in the season were current. Some Danish butter is being received nearly every week at Eastern seaboard.

The Bureau of Markets of the United States Department of Agriculture, in its report for Thursday, October 20, shows quotations on eight different grades of butter, with a difference in value of 13 cents per pound between the lowest and highest grades.

The quality of the butter from abroad is generally very fine, while there is a great deal of medium class butter produced in the United States, as is shown by the range in market quotations. Better care of cream and prompt delivery will tend to improve the quality of the American product.

Receipts of fresh eggs are small, and higher prices are ruling on all markets.

Poultry receipts have been ample for all the requirements during the week, but the smaller breeds are being discriminated against.—U. S. Yards, Chicago.

I. C. HEAD TALKS TO STUDENTS OF DR. STURTEVANT

President Rammelkamp Speaks in Appreciation of Career and Character of Veteran Minister—Illinois College Happenings.

At a recent chapel exercise at Illinois College, Dr. Rammelkamp spoke to the students in appreciation of the career and character of Julian M. Sturtevant '54. Dr. Sturtevant, who passed away in the East a little over a week ago, was the last surviving member of the Class of 1854. This was the class of which Edward P. Kirby and Charles Ridgely were also members.

Reference was made to the important pastorates which Dr. Sturtevant had held in such cities as Denver, Galesburg and Cleveland and to his services on the Board of Trustees of Knox and Colorado Colleges. President Rammelkamp spoke especially of the fine rugged, Christian character of Dr. Sturtevant, which seemed to go so naturally with his impressive personality. The worthy son of a great father, Julian Sturtevant, Jr., was always deeply interested in the College which his father helped to found. Especially during the last five or ten years, he was most generous in his donation of letters and other valuable material relating to the history of the College. Among these recent donations was an oil portrait of President Sturtevant, representing him as a young man when he came to Illinois.

The College Devotional Service Sunday evening will be led by Gladys Knapp. The subject for discussion will be "Friendship".

Financial Drives.
At the Chapel exercises Friday morning the College Y. M. C. A. and Y. W. C. A. held their financial drives. The Reverend Wm. Marbach gave a talk to the students on the financial needs of the organization. Ed Theis, treasurer of the Y. M. C. A. and Francis Strawn, treasurer of the Y. W. presented their budgets for the year. The Y. M. is endeavoring to get John R. Mott to come to Illinois for a series of lectures this winter. They are also in correspondence with A. J. Elliott with regard to a series of lectures. Mr. Elliott is better known as "Dad" Elliott to the students. He has had charge of the Geneva Conference for several years. The topic for discussion at the Y. W. C. A. meeting Monday afternoon will be "Mountaineers."

Mrs. Ogden, head of Academy Hall, the girl's dormitory, has found it necessary this year to add another table in the dining room, in order to accommodate all of the students. The new course in popular astronomy at the College is meeting with enthusiastic response. The class has a membership of 48 thus far. Several evening and morning meetings have been held, in addition to the regular class work.

The name of the Freshmen girls' society is "Alpha Eta Pi". The meaning of the name is an absolute secret among the freshman girls. The senior girls entertained the Alpha Eta Pi girls at the home of Mrs. G. H. Scott during the past week. The house was beautifully decorated in autumn leaves and flowers.

Plan Hallowe'en Party.
The Y Associations are planning to hold the annual Hallowe'en masquerade party soon. They expect to hold it either on the campus or in the College gymnasium this year.

Edmund Munger of the Conservatory of Music Faculty will give his annual piano recital at Northminster church Tuesday evening November 1st at 8:15. Students and friends are cordially invited.

The new officers of the Student Association are Dale Giberson '22 president; Mildred Yehling '24, vice president; and Felix Farrell '22, secretary and treasurer. Leon P. Ferreira has been elected captain of the baseball team.

Ruth Pierce of Waterloo, Iowa is visiting her sister Mary Alice Pierce of Hardin avenue. Mary Alice is a senior at Illinois College this year.

President Rammelkamp spoke before Synod which was held during the past week at Lincoln on "The Present Outlook of Illinois College". Synod passed a formal resolution endorsing the plans of the College for the completion of their Endowment Campaign.

Band Elects Officers.

The following have been elected officers of the band for the year: Willard Rubendall, president; manager; Lester Cornick, librarian; and Leo Connolly, secretary and treasurer. J. Hart Johnson will have charge of the instruction work for the band. About twenty-seven boys have signed up to play in the band.

Word has been received that Rena Chaney '21 is taking a secretarial course at a business school in Seattle, Washington this year. The school is one of the best of its kind in the northwest. Only eighty pupils are accepted in the school and each is given individual attention in their work.

President and Mrs. Rammelkamp entertained the trustees and faculty of the College at a reception at their home Thursday evening in honor of Mrs. Edward A. Tanner, wife of the former president of the College. Dr. and Mrs. G. L. Thompson of Mt. Sterling, drove to Jacksonville Thursday. They took dinner at the hall with their daughter Helen, who is a Freshman at the College this year.

The girls of the Agora Society has purchased several new pieces of wicker furniture for their society room.

The parents of Evelyn Heine were visitors at the hall last Sunday. Miss Heine is a freshman at the College.

I. W. COLLEGE NOTES

Friday morning Rev. C. D. Robertson, pastor of the Centenary M. E. church, made a very interesting address to the students at the chapel exercises.

The Illinois business managers have been busily engaged in taking subscriptions for the Annual which will make its appearance in the early spring. Their activities were preceded by a clever stunt given by the staff at the Wednesday morning chapel.

Miss Rose Ranson has been elected to the position of French and English in the Pawnee Township High School. This is a very pleasant community and has a splendid High School organization.

President Harker while away from the city has been in consultation with President Maddox of Rockford College, Rockford, Ill., where they talked over plans for the mutual benefit of both institutions.

Monday evening the members of the Belles Lettres Society enjoyed a marshmallow roast at Nichols Park. On the same day the Phi Nus gave a tea in their hall, to which the town members, past and present, were invited.

Monday night occurred the first faculty recital of the year—Miss Ida Belle Davis, director of the Expression department, read "King Rene's Daughter." Miss Davis made a very favorable impression on every one present, and although the weather was unfavorable over four hundred people were in attendance.

The many friends of Miss Gertrude Lobdell will be glad to know that she is getting along as well as could be expected, although it will be several weeks before she will be able to walk without the aid of crutches.

Miss Vera Wardner who has charge of the physical training in the schools

of Winchester and also directs the community playground activities, is a guest at the college over the week end. Miss Wardner was elected president of the Alumnae Association of the College and is planning definitely on some aggressive work for that organization.

The annual Fall meeting of the Chicago Society of the alumnae of I. W. C. was held Saturday in the east room of the La Salle Hotel. The Chicago Society is a definite asset to the college and has aided materially in securing funds for endowment and in selecting the right kind of students for the school. This organization meets the last Saturday each month in the tea room at Marshall Fields.

The Kansas City Alumnae Association opened their Fall activities with a tea at the Muehlbach Hotel on Thursday afternoon. This Society has quite a large membership, and takes an active interest in promoting the interests of I. W. C.

TO HOLD Y. W. INITIATION

The annual initiation services of the Y. W. C. A. will be held at Illinois Woman's college at two o'clock this afternoon in the Social room. About one hundred and forty new members will be initiated at this time and the total membership of the organization will be two hundred. Miss Janette Wallace, president of the Y. W., will preside at the services and the program will be in charge of Margaret Fowler. The membership in the organization is on a new basis this year as each new girl signs a personal pledge upon joining the Y. W.

GUESTS AT BULLARD HOME

Mrs. Nellie Bullard Prince of Chicago is a guest at the home of Mrs. Helen A. Bullard in Duncan Place. Mrs. Prince formerly lived in Jacksonville and has many friends here.

Homer Woods of Pisgah was in the city yesterday on business.

WILL DISCUSS WAGE QUESTION TONIGHT

"The Great Wage Question" will be the subject of the sermon which Rev. E. L. Rutherford will deliver at the Baptist Chapel this evening. It is hoped that the largest audience yet attending the chapel meetings will be present at this service. The chapel is located in the northeast section of the city, at the corner of Ashland avenue and Farrell street. The meeting in progress there hold something of good for everybody. You are invited, and be sure and bring some one with you.

INJURES FINGER.

M. O. Matthews of 121 Westminster street had the misfortune to run an ice pick thru his finger Friday while working out in the yard. The point of the pick penetrated his index finger inflicting a painful wound.

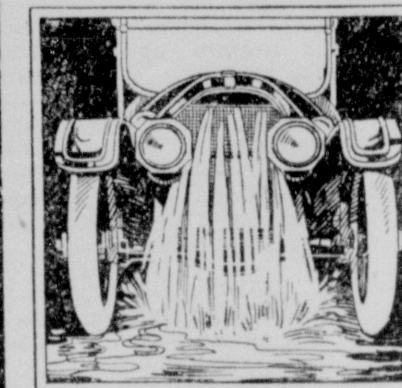

Wall Paper Way Down

The new papers are in, and, by the way, prices are marked back to old pre-war basis. Now is the time to fix up those rooms you've been figuring on so long.
